Primary Care

For general medical concerns, call or visit HCC first. Your provider is your partner and most familiar with your health history.

NowCare

For urgent, but not life-threatening problems, you may utilize HCC's NowCare. Located at HCC's Clinton Street*, Baker Street and Leahy Street Sites. NowCare offers walk-in medical services for acute and minor illnesses.

CLINTON STREET:

*COVID-19 related symptoms seen at Clinton Street NowCare only: Cold/flu, gastrointestinal issues, sore throat, allergies, cough, fever.

ALL SITES (INCLUDING CLINTON STREET):

- Sprains and Strains
- Tooth Pain
- Pink Eye
- Animal or Insect Bite
- Urinary Tract Infection
- Ear Pain
- Rash
- Birth Control
- Acute anxiety or panic
- ...and more

IF YOU EXPERIENCE ANY OF THE FOLLOWING, DON'T WAIT! CALL 911 OR VISIT THE NEAREST EMERGENCY ROOM.

- Breathing Problems
- Chest Pain/Heart Attack Symptoms
- Broken Bones
- Rapid Bleeding
- Stroke Symptoms
- Seizures
- Serious Eye/Head Injuries
- Allergic Reactions
- Babies Needing Immediate Care
- Severe Burns
- Drug Overdose
- Poisoning
- Severe Abdominal Pain

Emergency Room

For emergencies or serious problems, go straight to the Emergency Room (open 24/7). For common illnesses or minor injuries, visit HCC or NowCare. Be sure to follow up with your provider after a visit to an emergency room.
