Dear Test,

In order to start the registration process and get connected to your medical information, follow these 3 steps when you click the registration link below:

1. Click Sign Up and Connect.
 – If you already have a portal account and want to connect with an additional provider, click Sign in and add this connection (skip to step 3).
2. Create a username for your portal account. By default, this will be your email address. Next, create a password following the criteria noted on the right of the screen. Confirm your password to continue.
3. Connect your account. Follow the on-screen prompts to complete your account connection. These screens include accepting our Terms of Service, entering your Invite Code [the last four digits of your year of birth] and accepting the release of information.
[Click here](#) to begin.

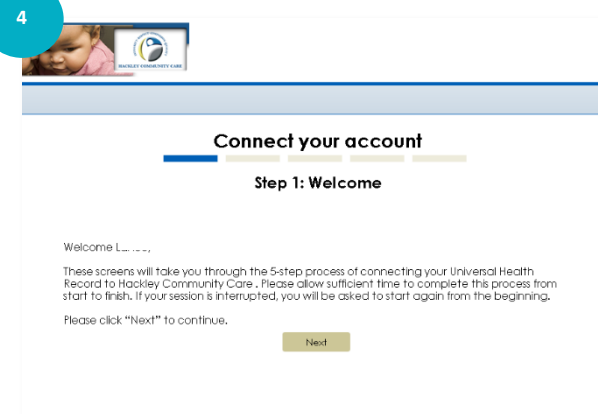

Check your Email. You will receive an email from noreply@followmyhealth.com. Click the registration link and follow the prompts.

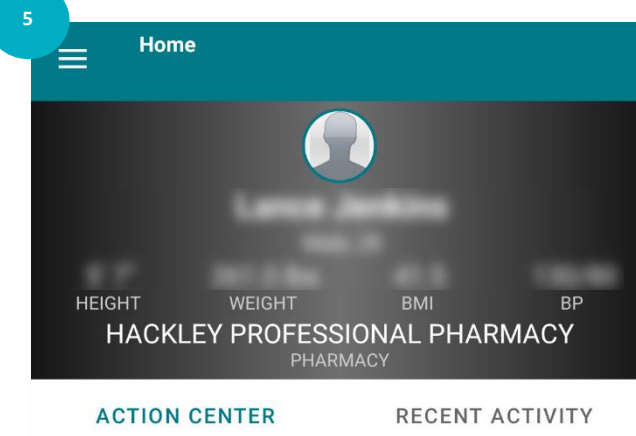

Click **“Sign Up and Connect”**. (If you already have a portal account and want to add HCCC, click **“Sign in and add this connection”**.)

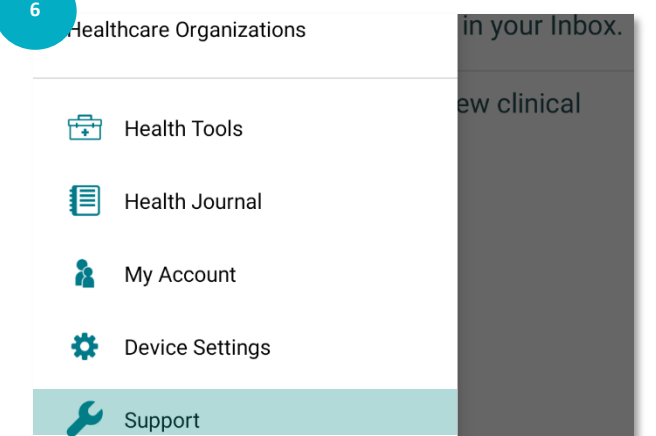

Fill in the required fields to create your username and password. Once completed, click **“Confirm and Continue”**.

Follow the prompts on the next four screens to complete your connection. (Includes Terms of Service, entering your 4 digit Invite Code [year of birth], and Release of Information.)

After completing the prompts, your health record will be uploaded, and you will be directed to your  **FollowMyHealth** home page.

Congratulations! You can now access your health information and start managing your care online. For more information on patient portal use, go to **“Support”** under the Home tab.
